TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State, qualified to vote in Town Affairs

You are hereby notified to meet at the Town House in said Town on Tuesday, the thirteenth day of March next, at eight-thirty of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary for the maintenance of the poor, for the laying out and repairing of the highways, and for all other charges arising within the Town, and appropriate the same.

3. To raise and appropriate such sums of money as may be necessary for the support of the Fire Department and Public Library, and for Memorial Day.

4. To see what sum of money the Town will vote to raise and appropriate toward paying Town Debt and Interest.

5. To hear the reports of agents, auditors, and committees, or officers heretofore chosen, and to pass any vote relating thereto.

6. To see if the Town will vote to instruct the Selectmen to appoint a Police Officer, or as many as may be necessary, to preserve order in and about the public places of the Town, and perform other duties as may be required by the Selectmen, both day and night, and raise and appropriate money for the same.

7. To see if the Town will vote to accept legacies and gifts given to the Town in trust by any individual or individuals.

8. To see if the Town will vote to raise and appropriate the sum of Three Hundred and Ninety Dollars ($390.00) to the Monadnock Region Association for calling attention to the resources of this region.

9. To see what sum of money the Town will vote to raise and appropriate toward paying for electricity, both for power and lighting purposes, to be used at the new swimming pool on Union Street.

10. To see what sum of money the Town will vote to raise and appropriate for the suppression of Gypsy and Brown Tail Moths, or any other insect or pest.

11. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars ($500.00) for the use of the Town History Committee.

12. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Sixty-Four Dollars and Thirty-Three Cents ($864.33) provided the State gives Thirty Four Hundred and Fifty Seven Dollars and Thirty Two Cents ($3457.32) for road maintenance and construction of Class Five highways.

13. To see if the Town will raise and appropriate the sum of Twenty Five Hundred Dollars ($2500.00) for the widening and rebuilding of Vine Street and deposit the money in Capital Reserve Fund for that purpose with the Trustees of Trust Funds, in order to allow proper surveys to be made.

14. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars ($15,000.00) for new equipment for the Highway Department, or take any other action relating thereto.

15. To see if the Town will vote to instruct the Selectmen to appoint a Highway Agent and to set his salary, or take any other action relating thereto.

16. To see if the Town will vote to instruct the Water Department to expend not over Three Hundred and Fifty Dollars ($350.00) for pipe and labor to provide water in the MacDowell Road for the use of St. Peter's new Cemetery.

17. To see what action the Town will take toward removing the danger of flood to the Town.

18. To see if the Town will vote to raise and appropriate the sum of Twenty Five Hundred Dollars ($2500.00) for the construction of a new Highway between Cheney Avenue and the Wilton Road, or take any other action relating thereto.

19. To see if the Town will vote to raise and appropriate One Thousand Dollars ($1000.00) to extend the surface drain on High Street from a point near the residence of Vernon Harris to a point near the residence of Warren Durgin, or take any other action in relation thereto.

20. To see what sum of money the Town will vote to raise and appropriate to widen Sand Hill Road from a point nearly opposite Bergeron's Garage to a point nearly opposite the Lussier property, or take any other action relating thereto.

21. To see what sum of money the Town will vote to raise and appropriate towards the support of a Peterborough Band, or take any other action relating thereto.

22. To see if the Town will vote to instruct the Moderator to appoint three representative citizens to act as a special sewerage and water committee with authority to retain engineering services in order that they may submit to the next annual Town Meeting, plans, specifications and recommendations. To see what sum of money the Town will vote to raise and appropriate for this survey or take any other action relating thereto.

23. To see if the Town will vote to support United States membership in a general system of international cooperation, such as that proposed at the Dumbarton Oaks Conference, having police power to maintain the peace of the world.

24. To see if the Town will vote to purchase for a nominal sum, a tract of land bordering on Town Line Brook watershed, or take any other action relating thereto.

25. To see if the Town will vote to place in a Capital Reserve Fund the sum of Fifteen Hundred Dollars ($1500.00) from the Water Department receipts to be used for major repairs and maintenance of the Town Water System in the future, or take any other action relating thereto.

26. To see what sum of money the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

27. To see if the Town will transact any other business that may legally come before this meeting.

Given under our hands and seal this 26th day of February in the Year of our Lord, Nineteen Hundred and Forty-Five.

CAREY A. WALBRIDGE

Total Estimated	50,677 55
Amount over Estimate	$1,320 46

REPORT AND RECOMMENDATIONS OF THE BUDGET COMMITTEE FOR 1945

We wish to point out the wisdom of making all the improvements possible under war-time restrictions and setting aside as much money as advisable for work to be done immediately after the emergency is ended. This time may come sooner than we think, and we should be prepared for it in order to provide employment for returning service personnel. As much as they would like to do so, private employers will not be able to carry the full load.

Money may be set aside as reserve funds to the extent of one-tenth of one per cent of the assessed valuation of the town, which in this case would be $3,908.55. In order to make necessary repairs and construction on Class 5 roads this year, it will be necessary to raise and appropriate the sum of $864.33 to take the benefit of the state's allotment of $3,457.32. Other projects may be provided for by separate appropriations.

Our present tax rate is twenty-four dollars per thousand. However, if we neglect necessary maintenance now we shall some day be confronted with an accumulation of projects, the total cost of which would jump the tax rate to such an extent that it would create a tax burden for everyone.

We recommend the widening and rebuilding of Vine St., a busy street used largely by school children and churchgoers. This street will also be used as another entrance to the high school in the near future. Because of its present condition busses are not allowed on this street. This necessitates the loading and unloading of the school busses at the corner of High and Vine Streets, creating a very hazardous situation. Due to the fact that the town owns a 33 ft. right of way, the objections raised last year regarding the possible expense of acquiring extra land were unfounded. However, details should be worked out by survey and friendly co-operation of all those concerned in order to avoid injustice. This does not come under Class 5 roads.

We also recommend the extension of the town water to the St. Peter's new cemetery, a distance of about one thousand feet, at a cost of not over $350 for pipe and trench. This would provide a service already enjoyed by the two other cemeteries in town.

Under Class 5 money, we further recommend the appropriation of $200 to meet the state's $800 to grade and improve the road leading from MacDowell Colony corner to the entrance of the St. Peter's new cemetery.

The following suggestions are made for your consideration:

The widening of Winter St.

Repairing the surface of High St., which has been in poor condition for several years.

The removal of the dangerous corner on Sand Hill Road just above the first Pine Hill gate. We recommend this.

A new business street running from Grove St. to School St. between the Mercer and Derby buildings.

Details and figures should be worked out for Granite, Grove, Bridge and Summer Streets in order that the town may be ready for post-war developments.

The Legislature will soon pass a measure making $1,200 the minimum salary for school teachers, in order to stop the loss of good teachers to states where the minimum is higher. Consequently, the School Board this year is in a difficult position. The school budget calls for $53,606, a decrease of $839. This is due to the fact that on June 30, 1944 there was a balance of $4,550.60 which helped provide for raises and (if possible,) another teacher in the Junior High School. This past year increases in salaries were given in the form of bonuses, as recommended by the budget Committee several years ago. The new transportation contract is for $5,600, which is $1,000 less than last year.

The Highway Department is in need of new equipment to take care of future road building and snow removal. An expenditure of $15,000 would provide a new heavy truck, a new tractor-bulldozer, and new plow blades and wings for the grader and trucks.

In the near future we shall have to come to some decision as to an airport or landing facilities in Peterborough. There are many opinions on this subject and it is a matter for the voters to decide as to what part Peterborough shall play in the development of aviation in New England.

Last year the actual cost of maintaining the Town House and other town buildings was $5,000. This year we wish to appropriate $7,000 to take care of painting the Town House, incidental repairs and fire escapes.

Town officers salaries and expenses will be $6,000 the same as last year. The Selectmen report satisfaction from the hiring of a full-time town bookkeeper at a salary of $1,300 per year. There was a saving of $150 on the selectmen's salaries and $750 on bookkeeping formerly done in the various town departments.

Observing the trend of small towns toward the appointment of department heads by the selectmen to aid centralization and efficiency of town government, we recommend the appointment of the Highway Agent.

Town maintenance last year cost $25,573.90 for eleven months, the year ending December 31 instead of January 31.

Therefore, $26,000 is needed for the year 1945. The flood damage sustained by the town in June 1944 cost $5,635.51, which was paid out of cash on hand. It is worthy to notice that the selectmen borrowed nothing whatsoever last year, due to good tax collections and revenue. Revenue for the year was $6,628.64, of which $5,126.49 was for services and materials and $1,502.15 from the sale of old equipment.

County tax last year was $21,588.74. No figure has been set for the current year.

Total assessed valuation of the town is $3,908,553.50. Total town and school debts as of January 1, 1945 were $16,000, of which $6,000 is for water bonds. Of the latter there is only one series unpaid. Cash on hand, $36,549.62. The actual school debt is $10,000, but owing to due dates in April of each year the $5,000 in last year's budget cannot be paid until next April and the $5,000 asked for in this year's budget cannot be paid until April, 1946. After that the schools will be debt free.

Cemeteries last year were $1,400—this year estimated at $1,000.

We call your attention to the town and school meetings on the same day, March 13. This was arranged for the convenience of those wishing to attend both meetings, and we hope the attendance will be greater than last year.

Adams Playground Committee Report

Another season of operating the Adams Playground cooperatively instead of competitively with the swimming pool has proven the value of such a program. It is to be noted that the attraction of the pool enhances playground attendance, and the playground facilities offer diversion to youngsters who would otherwise overindulge in the pool. Economically the cooperative program is sound, and we are indebted to Mr. Russell Tobey of the State Department of Forestry and Recreation for his efforts in behalf of this Peterborough project.

Supervised by Miss Gretchen Nickerson, whose experience in physical education and guidance qualified her in the judgment of the committee, the staff for 1944 consisted of Daniel Sullivan, Dorothy Donovan, Louise Rundlett and Nadene Nichols. This staff operated with gratifying efficiency and harmony. It is reported that many visitors from neighboring towns and states were very favorably impressed with the conduct, ability, and fitness of our Peterborough children. It is doubtful if many of our citizens are aware of our good fortune in this respect. We are just beginning to appreciate the importance of well organized and well supervised recreational and social activity, particularly for our children.

Of necessity the war years have made it impossible to expand our program. Progress has been extremely limited. Yet we recognize the fact that the post-war years will demand serious thoughtfulness and cooperative effort to organize and finance a sound structure in our recreational endeavors. We are more

fortunate than we know in our facilities and equipment which far outclass any comparable town. How efficiently and intelligently we make use of them is of prime importance.

Your committee reports $109.91 of its $750.00 appropriation unspent during the 1944 season. It should not be construed by anyone, however, that this indicates an appropriation in excess of necessity. Rather it was due to the critical nature of labor and materials which prevented ordinary maintenance and improvement to the property and equipment. It is to be hoped that much of this may be caught up for the coming season.

This committee desires to go on record in acknowledgment and appreciation of "Dan" Sullivan. We wish him success and happiness in his new venture, and feel a distinct loss without him on our staff. More than just a staff member, Dan has been most valuable and skillful in assisting the committee for many years.

Total attendance at the Playground for nine weeks was 1085, an average daily attendance of twenty-two. It is estimated that sixty-five youngsters made use of the playground. Let us hope that the playground will more than just renew itself each summer season. It has a definite place in the life and spirit of this community.

BELAND H. PEIRCE,
For the Committee

WALLACE B. GEORGE
Auditors

AUDITORS' REPORT

We, the undersigned, auditors of the accounts of the Town of Peterborough, New Hampshire, hereby certify that we have carefully examined the foregoing accounts of officers, committees and others having charge of moneys, for the year ending December 31, 1944, pages 452 to 488 inclusive, with the exception of the Weston Memorial Account and the James Smith Fund Account and the Amanda Richardson Account. We found them correctly cast and properly vouched.

We did not verify the accounts given us as uncollected taxes and water rents, assuming that their publication will provide an adequate check.

FRANCIS B. DONOVAN
HARRY WRIGHT
WALLACE B. GEORGE
Auditors of the Town of Peterborough

February 27, 1945

Report of the Librarian of the Town Library

To The Trustees Of Peterborough Town Library:

Herewith is presented the report of the librarian for the year 1944, which includes only eleven months, this year:

Town Library

Number of volumes purchased during year	650
Number of volumes acquired by gifts	66
Number of volumes discarded during year	66
Number of volumes now in library	25,746
Number of volumes circulated during year	20,446
Number of pictures circulated during year	56
Number of volumes repaired during year	335
Registrations during year	192
Reading room attendance	3,946
Periodicals and newspapers bought for Reading Room	52
Periodicals and newspapers given to the Reading Room	15

Appreciation is hereby expressed to the following friends of the library who have remembered it with books, magazines and flowers:

Books: Mrs. Maude Barton, Mr. Bernard M. Baruch, Mrs. Charles Batchelder, Czechoslovak Government Information Service, Mr. George P. Day, Mr. William K. Denison, Mrs. Charles W. Harrington, Dr. and Mrs. Charles H. Higgins, Miss Esther Jackson, Miss Bertha H. Jaquith, Mrs. Carl T. Keller, Mrs. K. L. Lindsey, Mr. Horace Morison, Master Robert Nelson, Dr. Fred S. Piper, Rosicrucian Fellowship, Miss Sara Seccombe, Secretary of State, Mr. Roscoe R. Storer, Miss Lora Thompson, Union Congregational Church, Mr. Carleton A. Wheeler, Mr. Franz C. Weiskopf.

Extra magazines: Miss Anne V. Bryant, Mrs. Mary F. Holden, Miss Esther Jackson, Mrs. Carl T. Keller, Mrs. Arthur LeBritton, Rev. James E. McKee.

Flowers: Dr. Charles H. Cutler, Mrs. William G. Hunter, Miss Anna L. Jaquith, Mrs. George M. Kendall, Mrs. Fred P. Waite.

"Without Books The Mind Stands Still"

One of the greatest jobs the world has today is education, and especially the education of children, and Children's Book Week is a small part of a constantly increasing campaign to spread book reading.

During Book Week, in November, the window at the Public Service Company's Store attracted many people and much favorable comment. The slogan, "United Through Books"

was carried out with a display of books about different countries with foreign dolls representing those countries.

Miss Jaquith again visited the Central Schools. She presented every child from Grade I to Grade VI with a bookmark, and gave a cordial invitation to them to come to the library and read and take books.

The children were much interested in a reproduction of a horn book, which was the first primer used by children many years ago, and also in the small books called battledores, which came into use a little later. They were interested to hear of the exhibit of books about children of other lands and dolls from many countries which were in the window of the Public Service Company. At the noon hour, many of them rushed eagerly to see the exhibit, and all during the week came to the library to read the new books which were reserved for them on a special table. At the end of the week when the books were put into circulation, some of the children were at the library at the opening hour to get the books which they were waiting to take out.

As usual, we are still supplying a great many books for the schools, used as supplementary reading; as well as to Kendall Hall and Norfleet Camp.

Pupils from the grade schools have visited the library this year, when they were instructed in the use of the library.

A drive for books to be sent to Iceland was requested by Mrs. Harry Morse, and as the library seemed to be the most central place we were asked to have the books left here. One hundred and forty-two books were collected.

The librarian was asked by the Hospital Aid Society to help in selecting some new books for the Hospital Library.

We are still collecting material—pictures, clippings, etc.—about the Peterborough men and women in the Armed Forces. The book has already been started, but we do lack many pictures. If you wish to have your boys or girls mentioned in our record, please send us snap shots and items of interest about them. This means a permanent record for our town.

Let us remember if a community is permitted to think, it must have books; and books mean libraries; and libraries, for most of us, mean public libraries.

Respectfully submitted,

MARTHA E. CUTLER
Librarian

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Peterborough, Qualified to vote in District Affairs:

You are hereby notified to meet at the Town House in said District on Tuesday, the Thirteenth day of March next, at 8:30 in the forenoon to act upon the following subjects:

1. To choose all necessary district officers for the ensuing year.

2. To hear all reports of agents, auditors, committees or officers heretofore chosen.

3. To raise and appropriate such sums of money as may be necessary for school purposes for the school year 1945-1946.

4. To choose agents and committees in relation to any subject embraced in this warrant.

5. To see if the District will transact any other business that may legally come before this meeting.

Given under our hands this twenty-sixth day of February, A. D., 1945.

MARY A. MORSE
DONALD K. MCLEOD
WILLIAM L. MACDONALD
School Board of Peterborough

A true Copy of Warrant—Attest:

MARY A. MORSE
DONALD K. MCLEOD
WILLIAM L. MACDONALD
School Board of Peterborough

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE PETERBOROUGH SCHOOL BOARD

I enclose with this my eleventh annual report of the Peterborough schools, the schedule of teachers for 1944-1945, the financial report of the school board and school treasurer, the school board's budget, and the other reports belonging to the school department.

There have been fewer teacher changes than last year; three in the high school and three in the Central school at the opening of school, with Miss Markham succeeding Miss Grover as music supervisor. In December Mr. Sullivan, who has done remarkable work in mechanic arts requested a release in order to enter business in a defense industry, leaving a very difficult position to fill.

The total enrollment for all schools shows an increase of sixteen over last year. There was a gain of 15 in the high school, six in the junior high, and a loss of five in the first six grades.

The enrollment for last year as compared with the first half of the present year is as follows:

	1943-44	1944-45
Senior High IX-XII (1st ½)	146	161
Junior High VII-VIII	71	77
	217	238
Grades I-VI	205	200
Total	422	438

There have been 67 tuition pupils enrolled during the present year in the high school as compared with 59 last year of whom 50 attended the entire year. The elementary pupils enrolled have increased from four to fourteen. This increase is due to the pupils of grades seven and eight in Greenfield entering the junior high grades in September.

The State Teachers' Association, after omitting sessions in 1942 and 1943 resumed their two day convention with a meeting at Manchester on October 19 and 20 which was attended both days by the Peterborough teachers.

At the meeting of the Educational Council held the afternoon of October 18th Headmaster Keach represented the County Association, and the superintendent represented the union at the meeting of the Assembly of Delegates which outlines the policies of the State Association.

Our expenditures to date have been close to our budget estimates except in the items of minor repairs and fuel. Repairs at the Central building somewhat exceeded our estimates, and the reason for our overdraft for fuel is due to the fact that

we were unable to secure coal before July 1st, and spent only $1,373.74 of the $1,800 appropriation. With the greater amount of coal needed since July 1st we have spent over $2,100 to date.

Our high school tuitions for last year exceeded our estimate by over $1,100 which gave us a balance sufficient to cover over drafts on individual items.

Peterborough is fortunate in having a group of loyal and efficient teachers who from their training and experience are giving of their best to the pupils in their care. I earnestly hope that we may be able to hold as many as possible through the present period of stress and anxiety.

LEWIS S. RECORD,
Superintendent of Schools

January 30, 1945.

REPORT OF HEADMASTER TO SUPERINTENDENT OF SCHOOLS
LEWIS S. RECORD

I submit, herewith, my report as Headmaster of Peterborough High School:

Robert A. Millikan, Nobel Prize winner in Physics, recently said, "Knowledge is power—not wisdom." Teachers and parents have the opportunity and the responsibility of not only imparting factual and abstract information to young people but also giving them the opportunity to attain wisdom in the use of the knowledge. Many have been prone to take Democracy for granted. If they have thought about the matter at all, it has been to identify Democracy with the traditional rights and freedoms they have enjoyed as citizens of the United States. Too frequently they have failed to consider responsibilities which must accompany those rights and freedoms if Democracy is to survive. Teachers, parents, and citizens are responsible for what the youth of today will be tomorrow. May we continue to take advantage of our opportunities to serve our youth well, that our town, state, and nation will reap the reward in future years.

School social events, interscholastic competition, and other co-curricula activities are nearly normal; however, athletics and Physical Education are not complete and will not be until such a time as it is possible to employ teachers for this department.

Changes in our teaching staff were limited to three at the beginning of the school year. Two subsequent changes have brought the total to five. Teacher turn-over is of even more serious consequence to an educational system than employee change is to industry. An integrated educational program is very hard to achieve when teacher changes are prevalent.

We participated again this year in the nation-wide program of assistance in harvesting of crops. This year 70 boys and

girls worked a total of 196 school days, an average of 2.8 days for each pupil engaged in the program.

The sale of War Savings Stamps and War Bonds is conducted again this year under the jurisdiction of the Commercial Department. Publicity and promotion of sales are conducted by the Student Council. To date $1,254.85 have been invested by the school pupils.

We are again participating in the surplus food distribution program. Milk is available to pupils at a cost of two cents per half pint, which is one half the cost. The other half of the cost is provided by Federal Funds. Free milk is available to those in need of additional nutrition. The free milk is available through contributions by the American Guernsey Cattle Club.

Several new courses of study have been added to our curriculum. Consumer Buying, a one-half unit course that teaches pupils how to buy wisely, teaches the values of budgeting, the recognition of values, and the ability to distinguish between good and bad advertising. Human Behavior, also a one-half unit course is, in many respects, a guidance course aimed to help pupils in developing a good personality and in learning how to get along with their contemporaries. It is, in essence, a course in elementary psychology. Economic Geography is a course of great importance in this age of rapid transportation and communication when we need to know the economic and geographic relationship of nations. World Problems, as the name implies, is a course, the aim of which is to study current news and current problems of the world. The pupils study the available facts and then are encouraged to form their personal opinions, listen to, and evaluate the opinions of others. It might well be called a class of preparation for world citizenship.

In order to add the above subjects to our curriculum, the Headmaster now teaches Eighth Grade History, which frees a teacher for another subject. Sociology and Economics are now taught as one-half unit subjects rather than as complete unit subjects. European History is no longer a unit subject but is incorporated in the teaching of History of Civilization.

Our present English courses are offering standard project work with the classics, essential grammar, spelling, and necessary punctuation assignments. In addition we are striving to teach students as well as English. We are offering them material which we believe they will employ when they have completed their formal secondary education.

The ability to write clearly; to read with rapidity, discrimination and appreciation; to think constructively—we believe to be important. These factors receive, and will receive, necessary consideration. The letter of appreciation, the sympathy note, the letter of recommendation will also be stressed. The ability to read thoughtfully the daily newspaper, the current magazines, the Book-of-the-Month Club editions will

be emphasized. Etiquette in life, introductions, behavior at formal and informal dances, and the clarification of a philosophy of life will be other objectives for us to maintain.

Public speaking, parliamentary law, the panel discussion, contributions which the movies, radio, and drama offer also are significant projects with our classes.

Visual aid to the educational process by means of moving pictures and animated cartoons and graphs are being used in Industrial Arts, Aeronautics, Science, and History classes. Films for assemblies are chosen from those listed by the O.W.I. There is only a small handling charge for these films which allows us to have more films for classroom work. Another visual aid, a film strip projector, a gift of the class of 1944, is being used in various classes. It will be used more as our library of film strips increases.

The Student Council, organized three years ago, continues to function as an aid to administration and to help the pupils understand Democracy, by living as a small unit of Democracy during the school year. A few of the activities of the Council are—supervision of the election of class officers, administration of a lost and found department, inspection of lockers, representatives of the Student Council meeting with the Teen-Age Committee. (The present teen-age activities are the result of a need expressed by members of last year's Student Council.) Assemblies such as the "Quiz Kid" and Spelling Contests are conducted by the Student Council.

Student Chatter, the school paper, was organized this year. Under the direction of the English Department pupils are learning the various jobs connected with newspaper work.

The Headmaster interviews each High School pupil at least once a year to give educational and vocational guidance. In a majority of cases, several interviews are needed to present the information accumulated by means of group and individual tests. The function of the interviewer is to guide and not to make the decisions for the pupil. As an aid to the counselor and pupil, we obtained the services of a representative from the guidance department of Boston University to administer the following battery of tests: California Mental Maturity, Cooperative Reading Test, Minnesota Paper Form Board, Minnesota Vocational Test and California Occupational Inventory.

The master profiles, norms, and individual score sheets from the above battery of tests should be of material assistance in determining if the pupil is progressing to the best of his ability; also they aid in determining if his study program is appropriate to his basic interests and aptitudes. In addition, the results should indicate what careers are in keeping with his interests and aptitudes.

An effort has been made to introduce "Guidance" in the Junior High School. During the last nine weeks of last year

the eighth grade Civics Class devoted its time to becoming prepared for its advent into High School. The Kudor Vocational Interest Test was administered, followed by discussions of their results. Each pupil selected high school subjects on the basis of these discussions. Pupils were allowed to visit High School classes and arrangements were also made for pupils to attend trial classes in High School subjects.

This year both the Seventh and Eighth grades have been organized into true "Home Room Organizations." Simple and necessary elements of parliamentary procedure were presented and firmly established. Nominations, campaigns, and elections for class officers were then in order. The national election in November was closely brought to these pupils. Registration, balloting, terms, rules, and procedures were more meaningful because of the correlation between national and class elections.

Guidance classes have covered such topics as: orientation to the building and to other teachers, regular purchase of savings stamps, plans for parties, organization of basketball squads, discussion of attendance and conduct at the skating rink, reports and discussions of Student Council meetings, general discussion of warnings and marks, neatness campaign, the "use of our time."

Occasional Home Room periods and many after school hours have been devoted to individual conference and guidance—guiding these adolescents in doing more happily, effectively, and easily the things they are going to do anyway as well as to guide their choices of activity to some extent.

Because of the excellent work done in last year's sixth grade classes, the present seventh grade has been able to accomplish many broadening phases in all subjects.

Respectfully submitted,

Elliott W. Keach, Headmaster

Report Of Principal Of The Central School

I submit herewith my annual report as principal of The Central School of Peterborough.

The present enrollment of the Central School is one hundred seventy-two. This number includes three tuition pupils from Sharon and one from New York City.

Seventy-two children are transported to and from school by bus. These, together with twenty-seven others stay at school regularly for lunch. During the winter months an average of eight more pupils bring their lunch. This is a large number of children to care for during the noon hour, however, the work is now so organized in the lunch room and on the playground that the problem is not as great as it has been in previous years.

Attendance has been very poor this year due to the measles epidemic and many severe colds.

The cod liver oil and milk program is being continued. The children of the first, second and third grades receive a graham cracker with the milk at recess. Children in any grade may purchase crackers. The Parent-Teachers' Association through the Community Student Health Fund is sponsoring the cracker program.

The Physical Education work which is carried on by the teachers has been enriched through the purchase of more equipment. Money earned by the children through the scrap and paper drives has made this possible. The floor in the gymnasium has been marked off and it is now possible to play shuffle board, quoits, ring toss, and bowling as well as games calling for courts, i. e., volley ball and newcomb. All large group play as well as rhythms and dances can be done very satisfactorily in the gymnasium. We certainly appreciate our gym.

This year we are giving extra attention to the improvement of posture. Special exercises are given in the rooms twice daily. Proper sitting and standing positions are being stressed and posture tests will be given by Mrs. Myhaver.

During Education Week, November 12-18, one hundred thirty-seven parents and friends visited our school. On Wednesday of this week, November 15, we tried to show the "High lights" of our school program. Tea was served by the teachers at the close of school. We were pleased that so many of our guests could stay to visit with us socially.

Last year the Gates System of Reading Instruction was adopted for use throughout the grades. To test the true strength and efficiency of this system we must wait five years or until our first graders of last year have completed the work of grade six, however, a marked improvement in reading and spelling, in all grades, can now be noted.

During Book Week, Miss Jaquith visited each room in our school. She told the children about the early horn books illustrating her talk with pictures. She also presented each child with an attractive book mark. We hope through such associations to stimulate the desire on the part of the pupils to use the library and to do more outside reading. One hundred six children now have library cards. We hope to increase this number as the year progresses. May I take this opportunity to, again, thank Miss Jaquith and Miss Cutler for their kind cooperation.

Most of our instruction and effort is continuing along the same lines as stated in my last report.

The regular testing program is being carried on with the addition of the Ayres Spelling Tests and the Clapp-Young Instructional Reading Tests.

More of my time this year is devoted to remedial teaching.

The Patrol is functioning under the same organization. No outside projects have been attempted as yet, by the new squad.

Stamps and bonds are sold in school each Thursday. Sales from September through December amounted to $979.85.

Fire drills have been given frequently throughout the spring and fall months. We are able to empty the building in forty-five seconds, using both doors; in five minutes and ten seconds going over the fire escape.

Perhaps the most important item of this report is the co-operation and understanding sympathy which exists between us, the teachers and the parents, and the Superintendent and the Board of Education. With this fine team work we should be able to attain our high aims in education.

It is with deep appreciation that I thank my teachers, Mr. Record, the Board of Education, and the parents for their whole hearted support which I have felt at all times.

Respectfully submitted,

January 24, 1945. ESTHER F. TEED, Principal

REPORT OF WEST PETERBOROUGH SCHOOL
January 1, 1945

Registration at the West School, comprising the first four grades, this year thus far, has been eight boys and sixteen girls.

An epidemic of measles left us with one hundred per cent immunity to that disease, every child who had not had the measles and not many of them had, has had them now.

At this time a few cases of whooping cough are present.

Much school time has been lost, but we hope to make our grades, regardless of absences.

War stamps and bonds to the amount of $70.55 have been purchased since September.

To the P. T. A. we express our thanks for money for games and gifts at Christmas and for other helps along health lines. Thanks also to Miss Cutler for magazines.

Milk and graham crackers at school is an essential health item. Cod-liver oil is always a good value through the winter months.

At this time we again note with appreciation, the thoughtfulness and kindliness of the citizens of Peterborough towards the "Little School at the West."

Respectfully submitted,

KATIE NICHOLS

MUSIC DEPARTMENT REPORT

I am submitting my first report as supervisor of music in the schools of Peterborough:

The music department furnished the program for the Parent Teachers' Association Christmas meeting. The Novettes, the members of the solo classes, and the Mixed Glee Club, all from the High School, sang Christmas music, new and old. The Central School Choir sang Christmas carols and other Christmas songs, as a background for the "Living Christmas Pictures" presented by each grade. The same program was given in the Christmas assemblies in the respective schools.

In the Central School, the first and second grades are enjoying the rhythm band, this year, and creative rhythms have been introduced into the first three grades. The fourth, fifth and sixth grades have done some creative music writing, and a great deal of attention is being paid to correct manuscript writing. This is all being taught for the development of a better understanding of the meanings of the music signs and terms.

A special group of girls and boys from the Junior High School sang carols at the Christmas Tea given for the mothers of the eighth grade girls.

The music course in the West Peterborough School is similar to that in the Central School.

The Mixed Glee Club of the High School sang hymns in the public performance of the Senior Play, "Our Town". This same organization is now working on an operetta, "Chonita", based on Liszt's works, which will be presented in March.

The High School Orchestral Group will play at the operetta, and for the graduation events.

Respectfully submitted,

GERALDINE MARKHAM,
Music Supervisor

January 26, 1945.

REPORT OF MEDICAL INSPECTOR AND SCHOOL NURSE

To the Superintendent of Schools and Board of Education:

As a war measure the detailed report of the Medical Inspection Department, on file in the Superintendent's office for the year ending June 30, 1944, is omitted. The routine work has been carried on as usual. This includes:

A. By the Medical Inspector:
   1. A physical examination for each student.
      (a) A re-check for heart murmur.
   2. Individual inspection of students and first-aid, when necessary, at office.
   3. Tuberculin skin test program for Seniors.
   4. Physical examinations for employees of the Board of Education.
   5. Reference of students having defects to own physicians.

B. By Teachers:
   1. Health inspection, daily, by class room teachers.
   2. Projects—Health
      (a) Service of Cod Liver Oil, under the direction of Principals.
      (b) Service of Milk under the direction of Headmaster and Principals.
      (c) "A clean handkerchief for each child." Grade 1.
   3. Reporting of Symptoms of disease to the school nurse.
   4. Assistance with Physical Growth Records—Class Room Teachers.
   5. Secretarial and office practice class under the direction of Mrs. Richardson have assisted with lists, notices, etc. High School students assisted with the preparation of students in the lower grades for physical examinations, and also they have assisted at High School with attendance when an emergency arose so nurse could not be there.
   6. First Aid by Headmaster and Principals in absence of nurse.

C. By the School Nurse:
   1. Visits to Schools—attendance checked.
   2. Disease Census cards sent to parents, of new students for information before physical examinations are made.
   3. Appointments made
      (a) For physical examinations of employees of Board of Education, at Doctor's office.
      (b) For further examination of students at Doctor's office.

4. Appointments for Tuberculin skin test for Seniors by Mrs. Aiken of Tuberculosis Association and State Board of Health.
5. Exclusion from school of students having symptoms of communicable diseases or for temporary illness. (In compliance with the State Boards of Education and Health.)
6. Distributing of supplies—including cod liver oil.
7. Vision tests and re-tests.
8. Hearing tests.
9. Heights and weights of students.
10. First aid and dressings.
11. Community Student Health Fund adjustments for clinics.
12. Follow-up work
    (a) Phone Calls
    (b) Home Visits
    (c) Appointments and arrangements for clinics—X-Ray, dental, tonsil, eye.
    (d) Attendance at dental clinics.
    (e) Notices sent to parents of children having defects as found by the Medical Inspector.
    (f) Interviews with officials, headmaster, principals, teachers, parents, and students.

This year, Dr. H. Shirley Dwyer, Director of Dental Hygiene, spoke to the students on "Teeth and Their Care" at the High School Assembly. Grades from Central were guests.

Miss Elizabeth Murphy, Supervisor of Health of the State Department of Education, gave an interesting talk on the School Health Program at P.T.A.

(g) Records of all Health Work completed.

(h) Monthly and other records of Health Supervision sent to local and State Boards of Education. School time allowance for nurse till twelve noon.

The Medical Inspection Department wishes to thank the Headmaster, Principals, Teachers, and all other individuals and organizations as well as the Superintendent and Nurses of Peterborough Hospital Staff for their co-operation in making the school health program comply with the State program.

Respectfully submitted,

DONALD M. CLARK, M.D.
Medical Inspector

OLA MYHAVER, R.N.
School Nurse

PETERBOROUGH STATISTICAL SUMMARY

School year 1943-44

Whole number different Schools maintained full year		10
Teaching positions: (a) filled by men		3
(b) filled by women		17
Changes in year		2
Different individuals employed: (a) men		3
(b) women		19
Different pupils registered		432
Previously registered elsewhere		8
Not previously registered: (boys)		216
(girls)		208
Half days lost: average		20
Half days in session		352
Pupils between 5-8 years of age		68
Pupils between 8-14 years of age		199
Pupils between 14-16 years of age		97
Pupils between 16-21 years of age		60
Pupils over 21 years of age		0
Per cent of attendance		92.65
Pupils not absent or tardy during year		12
Cases of tardiness		787
Number 8-14 not attending any school		7
Non-resident pupils in elementary schools		3
Non-resident pupils in secondary schools		59
Pupils transported at district expense		147
School houses used during year		3
Average salaries of teachers:		
Secondary men	$2,550	
Secondary women	$1,455	
Elementary men	$2,200	
Elementary women	$1,301	
School Board meetings		14
School visits made by Board Members		49
School visits made by Superintendent		380
School visits made by Citizens		298

REPORT OF THE SCHOOL BOARD

Our policies have been shaped and developed by the State Board of Education and are well established. We consider that the work of our administration is further to develop plans for carrying out these policies, and to give our utmost assistance to our Superintendent, Principals and Faculty as they direct and instruct the students in our public schools.

Earnest, intelligent and well planned effort is manifested in the reports of our school officers which we urge you to read with attention. They could relate countless hours devoted to the furtherance of our school program. They know what it means to hold fast when so many forces, in these years of struggle and strife, are tugging in opposite directions.

Fewer changes were made in personnel this year than last, some of this was due to the fact that our budget allowed us to increase salaries somewhat in scale with other institutions.

In September the resignation of Mr. Dane P. Cummings from the School Board was accepted with much regret, due to the fact of his joining the United States Navy. Mr. Cummings had served devotedly and well for three and one half years on the Board.

The Board was very much pleased to have Mr. William L. MacDonald accept their appointment to replace Mr. Cummings until the next District School meeting. Mr. MacDonald is a former Headmaster of the Peterborough High School and Superintendent in this vicinity and Connecticut. His counsel is of great value and we welcome him back to the school system.

In August, the Bus Transportation contract was awarded to the lowest bidder, Mr. George A. Myhaver, at an annual sum of $5,600. per year for the next three years. This is the lowest contract ever awarded.

The Board feels that during these wartime years, when it has been confronted with unusual problems of transportation and of bus schedules, it has acted with due regard for each individual child and for the best interest of the community, although it admits that the arrangement is by no means perfect.

On December 1st the Board accepted, with deep regret, the resignation of Mr. Daniel J. Sullivan who had so capably expanded the Shop and was so respected and loved by the student body and his associates.

Before the Fall term the Gymnasium, Lunch and Nurses rooms at the Central School were painted, thus completing the improvements started last year. Cement work and repairs to outside stairways were repaired. Minor repairs were made to other buildings.

It was voted to raise the tuition of Junior High School students from $36 to $60 per pupil each year to become effective July 1st, 1945, and that towns concerned be notified on January first of this year.

The last payment of bonded indebtedness for the High School Building will be due April 30, 1946. Therefore the appropriation to be made in March will complete the payments on the High School.

Investigation and plans are underway for the purpose of having studies made to determine Peterborough's Post-War Educational needs for which an appropriation of $1000 was made at the last District School meeting.

Mr. Record and Mr. Keach were delegated to confer with the President of New Hampshire University. Then followed a conference of the Board, Mr. Lewis Record, Superintendent of Schools, Mr. Elliott Keach, Headmaster of the High school and Mrs. Esther F. Teed, Principal of the Central School, with Dr. I. N. Thut and Dr. Everett B. Sackett, representatives of the University.

Developments which have been made since this conference up to the time of this District School meeting will be presented at the annual meeting.

It was hoped that by holding the District School meeting on Town meeting day the attendance would be greatly increased. Such was not the case last year but we hope it will prove so in future years.

We desire to express our appreciation to all organizations and citizens for their interest, helpfulness and constructive criticisms, and to the staff for their loyalty and co-operation in helping us carry out our duties for the taxpayers.

MARY A. MORSE
DONALD K. MCLEOD
WILLIAM L. MACDONALD
Peterborough School Board

PETERBOROUGH SCHOOL BOARD'S BUDGET
For 1945-1946

PETERBOROUGH SCHOOL DISTRICT

	Proposed 1945-46 Budget	1944-45 Budget
Support of Schools:		
1. Teachers' Salaries	$35,000 00	$33,000 00
2. Books and Supplies	2,400 00	2,400 00
3. Flags and Appurtenances	20 00	15 00
4. Other Expenses of Instruction	300 00	250 00

PETERBOROUGH HYMN
A. D. 1620

God our Father!
    Glory, Lord, to Thee!
Before whose voice
    Is mute the thund'ring sea!
Through wind and foam
    Thou lead'st us home—
To Thee be glory through eternity.

Lord, hunger and cold are nigh!
Lord, not for ourselves we cry—
Let not our children die!
Silence your loud alarms
God is our shield from harms—
He will make strong our arms.
Christ, who hath calmed the wave,
Christ will uphold the brave.

Christ, our Saviour!
    Father of our Faith!
To Thee we bring faint hearts and failing breath,
    Be Thou our Guide!
    With Thee we bide,
To love, to labor, and to hope till death!

EDWARD MACDOWELL
